Physiotherapy in Toronto for Work Activities

Welcome to the CanadaPhysio resource for work activities.

At CanadaPhysio we look forward to helping you recover from work related injuries. Whether you spend your day at the computer, sitting at a desk, standing or lifting, we can work with you to design a program that will help you avoid or recover from work injuries.

Click on the main menu links to explore information related to common work activities. For information on specific injuries, please click on our injuries and conditions category.
